- Discover skill and confidence. Release your musical inhibitions.
- Jam with other creative participants in large and small groups in unique combinations.
- Experience why listening and imitation are the most fundamental musical skills. In this approach, there are "no wrong notes."
- Create music "in the moment" by playing through your heart.
- Choose from these separate tracks daily:

**LEADING LAB** | Develop and practice group facilitation skills.

**VOCAL TRACK** | Explore vocal expression.

**PERFORMANCE TRACK** | Deepen your musicianship with improvisation.

**DAILY MOVEMENT** | Daily warmup each day.

Join **MUSIC FOR PEOPLE** in our **ANNUAL DEEP DIVE** into musical renewal, mindfulness, and creativity. For musicians and vocalists experienced in any musical tradition – classical, jazz, theater, rock, ethnic, avant-garde, et al. In an energetic, humorous and open-minded environment, discover how to move beyond the limits of musical training while playing at the peak of your technical and expressive ability. All instruments welcome – acoustic, electric, winds, strings, hand drums, percussion and home-made innovations. For beginners and professionals alike. Prior experience in improvisation is not necessary.
